[PHOTOS]: Acting Prime Minister Themba Masuku tours business property that was destroyed in Matsapha during protests earlier this week. The national damage is currently estimated at close to E3 billion & has resulted in about 5 000 job losses so far.

The Acting Prime Minister has also met affected business owners. Damaged businesses in Matsapha include car dealerships, supermarkets, ATMS & pharmacies, among others.

I hope you have visited hundreds of EmaSwati who are in hospitals and the families of those who were murdered. We will never forget you Mr Masuku and your cabinet, the damage you have done in our hearts will be documented for many generations to come. After serving the country for so many years you failed to retire with dignity 🙄🙄🙄
