

**Eswatini Government**

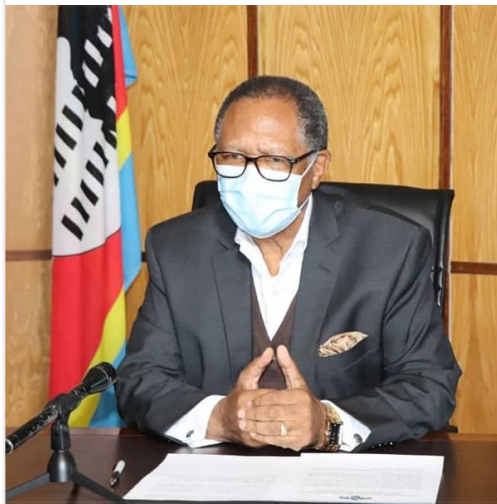

July 4, 2021 · 🌐

Acting Prime Minister Themba Masuku has this morning welcomed the SADC Organ on Politics, Defence & Security (Troika) to the Kingdom. The mission has arrived through the KMIII International Airport & is led by Botswana Minister of International Affairs & Cooperation Dr. Lemohang Kwappe, representing Troika Chairperson H.E. Dr. Mokgweetsi Masisi.

Acting Prime Minister: "It is our goal for the country, as shared by the founding principles of SADC, that we & the region always maintain peace and stability for sustainable economic growth & prosperity. Government has set up a team, led by the Minister of Foreign Affairs to work with the Troika & ensure that these engagements are sustained."

Head of Mission Lemohang Kwappe: "SADC stands ready to support the people of the Kingdom of Eswatini in their quest to bring peace & calm that will lead to the socio-economic development of this country, something that we in the region cherish. We look forward to a candid engagement with all the stakeholders. We will interact with Government & then proceed to interact with civil society."
